PREPARATION INSTRUCTION FOR ADULT PATIENTS

* Bring this form with you, completed and signed by your physician, and your insurance card with you to the facility registration/testing area.

Breast (Mammography): Do not wear deodorant or powder the day of the appointment. Bring all previous mammograms or arrange to have them sent to the Saint Joseph's Breast Health Center prior to the scheduled appointment.

Barium Swallow Only: No special preparation

Upper GI Series, Small Bowel series: Do not eat or drink anything after midnight the night before your examination. If you have are having a small bowel series, the test may take two to six hours.

Barium Enema: The day before the examination, use a cleansing preparation kit and nothing to eat or drink after midnight. This prep kit can be given by the ordering physician or can be picked up at our front desk. Prep kits are also available for purchase at your local pharmacy.

Ultrasound Pelvic: Drink one quart/32oz of fluid 90 minutes before the appointment time and DO NOT GO TO THE BATHROOM. The bladder must be full for this exam.

Ultrasound Abdomen (Gallbladder, Liver, Pancreas and Aorta): Do not eat or drink anything after midnight the night before the exam.

Ultrasound Kidney (Renal): No special preparation (Kidney Doppler - NPO)

CT (Cat Scan): Nothing to eat or drink two hours prior to your study. If you are having a CT of the Abdomen/Pelvis, please arrive one hour prior to your scheduled appointment time to drink oral contrast.

Nuclear medicine HIDA scan: Do not eat anything after midnight the night before your exam.

Nuclear Medicine Thyroid Scan: Do not eat anything after midnight the night before your exam. NO THYROID MEDICATION FOR 7 DAYS PRIOR TO THE EXAM. No IV contrast examinations for the previous two months.

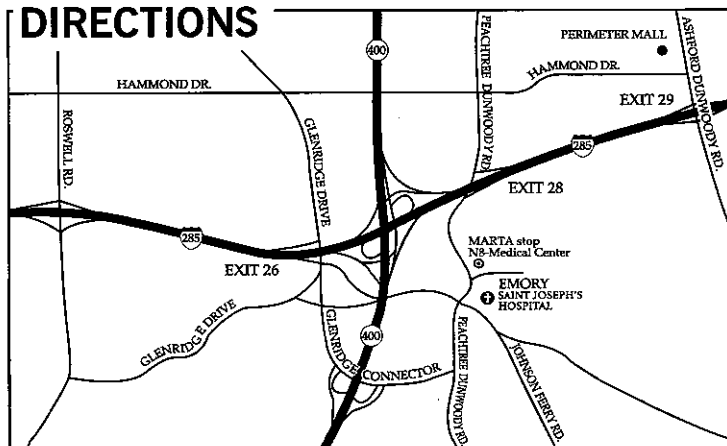

Nuclear Medicine Bone Scan: Drink a lot of liquids the morning of the exam. If this scan is being done the same day as at CT scan, do not drink any liquids for two hours prior to the exam.

MRI Abdomen: Do not eat or drink anything for four hours prior to the exam.

FOR ANY STUDY BEING PERFORMED WITH IV SEDATION: Nothing to eat or drink 4 hours prior to the exam and you must have a driver responsible for taking you home. Transportation via MARTA or Taxi is not permitted.

PATIENTS: If you do not have a scheduled appointment time within 24 hours of receiving this instruction sheet, please contact our scheduling department at 404-686-0500.

DIRECTIONS

From Roswell, Alpharetta, Cumming, Dahlonega

Take GA400 South to Exit 3 (Glenridge Connector) and turn right (Glenridge Road.). Go to the second light and turn left (Peachtree Dunwoody Rd.).
